

Elevating Safety and Quality Standards:
Our Commitment to Best Manufacturing Practices.

Dear Valued Partner,

We hope this message finds you in good health and high spirits. At B Plus, we believe in continuously striving for excellence in all aspects of our operations - a trait that fuels our drive to become the industry standard itself. Accordingly, we would like to reiterate our commitment to employing best manufacturing practices and safety regulations at all times - safeguarding your well-being and sustainably protecting your profits.

ISO 9001:

2015 Certification: Demonstrating Quality Assurance

This prestigious accreditation signifies our unwavering dedication to maintaining exceptional quality standards throughout our manufacturing processes. By adhering to this comprehensive quality management system, we ensure that every machine leaving our facility meets and exceeds the highest industry benchmarks.

CE Certificates:

Compliant with European Standards

As part of our international expansion plan, we have diligently applied the necessary norms and regulations for European markets. Our products hold the esteemed CE (Conformity European) certificates, indicating full compliance with European safety, health, and environmental protection requirements. With this certification, we offer our European customers the confidence that our bakery equipment meets the stringent standards set by the European Union.

UL & CSA Certificates:

Ensuring Safety in North America

In our pursuit of providing top-notch equipment to our North American clientele, we have gone the extra mile to obtain both UL and CSA certifications. These certificates ensure that our products conform to the safety standards mandated for the region. With this comprehensive approach to safety, we prioritize the well-being of your employees and patrons, offering you peace of mind while using our bakery equipment.

EAC Certificate:

Commitment to the Eurasian Economic Union (EAEU)

In line with our vision of expanding our global reach, we have secured the EAC certificate for the Eurasian Economic Union (EAEU). This certification is a testament to our dedication to meeting the rigorous standards required by this influential economic bloc. By complying with the EAC regulations, we reaffirm our commitment to providing reliable and safe bakery equipment to businesses operating within this region.

We are both humbled and delighted to continue serving you as your trusted bakery equipment manufacturing partner, offering cutting-edge solutions and unparalleled support to meet your business needs. Please don't hesitate to reach out to our dedicated team if you have any questions or require further information.

Thank you for your continued trust

Best regards,
B Plus Team
